

# ZOOM CONFERENCE CALL SETUP QATAR

## ABOUT US

Maksys Technologies W.L.L is a leading and trusted provider of mission-critical technology solutions across the region, serving key sectors such as banking and financial services, contact centers, telecom, oil and gas, and public safety organizations. Established a decade ago, the company began with voice recording solutions and has since expanded into a comprehensive range of advanced technologies, including dealing room solutions, unified communication-based contact center systems, billing and analytics, teller automation, digital signage, enterprise video communication, and information security. With a highly qualified, factory-trained technical team available 24/7, Maksys is known for delivering exceptional support and unmatched after-sales service. Their proven leadership and No.1 position in voice recording, dealing room solutions, and call center technologies reflect their commitment to innovation, reliability, and customer satisfaction.
